Players can construct rollercoasters and manage their park with friends. Developed by Den_S, the game encourages socializing, cooperation, and making compromises. A game that has grown in popularity in recent years is ROBLOX; that means plenty of memes to go along with the growing fan base. The best part about them is that they don’t always have to make complete sense as that is the beauty of the game itself. Some poke fun at the game while others choose to laugh at the shenanigans that happen within it.
