This code gives you 150 gems, but they generally range from 20 gems to 500 gems. These can be used to purchase new items in this game, so in a sense, the codes will be giving you free in-game items but it just allows you to choose what it is.

You can also earn ROBUX, but this is much more challenging. There are a few options - you can create a game or sell clothing items in a group. Creating an entire game in ROBLOX does take a lot of efforts - you will need to implement in-game purchases, which players can choose to purchase using ROBUX, and you will then earn a percentage. You can also make your game a pay to play game, charging people to play it.

These are fantastic as last-minute gift ideas as Amazon is selling them as digital codes rather than physical cards, so you won't need to worry about them getting delivered on time as you just access the codes from your Amazon account and write them in a card, or print it out and so on. It is a great addition to any avatar though as not everyone has a backpack or has uncovered a promo code for one during their gameplay. It will set you apart from the crowd as you wow them with your newest item for your avatar.
