ROBLOX continues to be a platform for creativity. A lot of the major content in the game comes directly from the hands of the player. The game's built-in economy is a testament to how effective this method is for expression in game design. ROBLOX is easily accessible and continues to bring in new players every year.

Revenue through September jumped 70% from a year earlier to \$613.9 million, the company said. In its prior prospectus in mid-January, ROBLOX said revenue over that stretch climbed 68% to \$588.7 million. Its revised net loss for the period was \$194.5 million, down from \$213.3 million as reported before.

Simple yet terrifying, Anxiety simulates the experience of a panic attack for players. Anxiety is a psychological horror game experience created by Zoidberg656. In it, the player will wake up in a small bedroom. They can explore a large, dark house and have the ability to turn on lights and open doors. As the game progresses, players will experience simulated anxiety attack symptoms and an unsettling soundtrack. At the end of the experience, a note reminds players there are people who can help them overcome anxiety. The game is simple but an important way to explain mental health concerns to those who may have never experien.
