It has 2 main apps: ROBLOX Studio, and the game itself.

ROBLOX is one of the more unique and interesting free to play games currently on the market. This is largely down to the fact that unlike many of its competitors, ROBLOX actually gates off choice content behind a paywall.

ROBLOX is a great platform, loved by developers everywhere. The nice thing about it is that you don't even have to have a lot of tech knowhow in order to develop your own game, since the online gaming platform offers a wealth of tools to help you out.

Roblox™ have been hearing from our educator community that it's simply not enough to have occasional conversations about safety and digital civility and that they'd greatly benefit from a structured curriculum and project-based learning as the new school year begins and kids are spending more and more time learning and interacting with one another online," said Laura Higgins, Director of Community Safety and Digital Civility at ROBLOX. "The curriculum launching today is designed to provide both educators and students with a self-paced, topic-specific narrative that will help build a generation of resilient digital citizens and ensure kids and teens have positive and safe online experiences."

When you visit the website, you will be asked your ROBLOX account details to claim a promo code. However, the system doesn't seem to verify your ROBLOX account, as it tends to proceed with the claim and activation process even with a non-existent ROBLOX username. This means that regardless of what you type in, the website actually manages to find and identify that username and encourages the user to complete the activation process for a ROBLOX account that doesn't even exist.

But this ROBLOX player took it to another level. The cursed image got further cursed by being stretched to fit the weird, Lego-like proportions of ROBLOX characters. But hey, they had to do it, right?
