But this ROBLOX player took it to another level. The cursed image got further cursed by being stretched to fit the weird, Lego-like proportions of ROBLOX characters. But hey, they had to do it, right?

There is great news for our ROBLOX fans- many legit websites are offering ROBUX in some legit way. Gaming individuals can get free ROBUX even without doing human verification and downloading applications.

This means you will be able to get ROBUX for every signup as well as when people who do signup using your URL also buy in-game items. Creating a game and then using a referral program does mean you have to put in some serious work, but the ROBUX you get will be worth it.

Once you have created your game in full, you might like to use the affiliate program described above to promote it.
